**45° Short Radius Butt Weld Elbows**

**1" to 3 1/2" IPS:** Please refer to the 45° Long Radius Butt Weld Elbows chart on page 6. 45° Short Radius and Long Radius fitting covers are inter-changeable 3 1/2" IPS and below.

**4" to 24" IPS:** While most major pipe manufacturers do not produce Short Radius 45° Elbows, Sproule Mfg. Co., Inc. has received quotation requests for this type of fitting cover. Due to this increased demand for 45° Short Radius Butt Weld Elbows, this list price can be calculated by taking 70% of the 90° price listed above.

**Bold** sizes vary from published charts of other major elbow manufacturers.

Single number sizes are available as Sproule Mfg. Co., Inc. Numbered WeatherJacs™ as well as standard numbered fitting from other major metal elbow manufacturers. Standard sizes (i.e. 16 X 2) are the equivalent LONG RADIUS sizes and available as Sproule Mfg. Co., Inc. Large Bore WeatherJacs™.

### Ask for a complimentary copy of our WeatherJac™ Interactive CD-ROM Guide.

Sproule Mfg. has assembled a CD-ROM filled with information on every aspect of the Sproule WeatherJacs™. Along with the standard list pricing and technical data sheets, this user friendly CD-ROM contains a unique and dynamic video installation guide for each type of WeatherJac™. The insulator is taken, step by step, through the entire installation process from beginning to end. Time lapse videos, animations, and diagrams are all used to give even the most novice of insulators a complete understanding Sproule WeatherJacs™, their purpose, the advantages of a pressed aluminum elbow in the field, and most importantly the correct method for installing WeatherJacs™.

This Interactive CD-ROM Guide also contains a short sales presentation covering the advantages of Sproule WeatherJacs™. This presentation has proven itself time and again to be an invaluable tool to quickly cover the specific points that concern most engineers, end users, even distributors, and contractors. **No special software is required, any computer with a web browser can view our guide.**
